For those who need to take C117, have you completed C103 or C101/C121 with a score of C– or higher, achieved a Chemistry AP score of 4 or 5, or completed C105 with a C– or higher from another university?

- Yes! I took C103 and got a C– or higher
  - You may register for C117. If you got between a C– and a B+, we highly recommend you take the ALEKS review. If you got an A or A+ and you are also a science major, email chempreq@indiana.edu to find out if you qualify for our majors-only section of C117.

- Yes! I took C101/C121 and got a C– or higher
  - We strongly prefer that students take C103 as a prerequisite for C117, as C101/C121 are taught more conceptually, and C103 prepares C117 students for the math they will encounter in C117. You may register for C117, but we strongly recommend you take the ALEKS review as well.

- Yes! I took C105 and got a C– or higher
  - You do not need to take C117, however we encourage you to take C243 before taking additional chemistry classes

- Yes! I got an AP Chemistry score of 4 or higher
  - You may take C117. If you got a 5, you do not need to take C117, but we encourage you to enroll in C117, science majors section J117, or apply for honors section H117.

- No
  - Take the CPE Exam.

Once you’ve taken the CPE, what was your score?

- 0-14
  - You may either take C103 or complete the ALEKS review to at least 95% mastery. If you have not had a full year of high school chemistry, you should take C103. If you took chemistry in high school but felt completely lost or your program was not very strong, we recommend that you take C103. If you took a year of chemistry in high school and just need a review, you may choose to take the ALEKS. After completion of the ALEKS or C103, consent of the department is required.

- 15-18
  - You may take C117. We recommend you take the ALEKS review. After completion, contact chempreq@indiana.edu for departmental permission.

- 19-24
  - You may take C117. If you are a chemistry major or a closely related major, you may be eligible for our majors-only section J117. Contact chempreq@indiana.edu. Consent of the department is required.

- ≥25
  - You may take C117. You may be eligible for honors section H117 or science majors section J117. Please contact chempreq@indiana.edu. Consent of the department is required.
